Pledge Campaign Launched

COUNCIL CONFIRMS EARLY APPOINTMENTS

Bryan Morse Asks Support of Council in Activity Pledge Campaign.

McNEIL ELECTED MANAGER

Tentative Plans for Football Festival Early in December Were Discussed.

The temporary appointments of Robert H. McNeil as manager of football, and Robert M. Bolton as editor of The Hatchet, were confirmed by the Student Council of the University at its meeting in Lisner Hall, Wednesday night, October 11. The resignation of Noble Johnson, as the football manager, and Eugene S. Thomas as The Hatchet editor, caused the Board of Managers to select the newly-elected men to act temporarily until the council had time to take official action.

Bryan Morse, director of Student Activities, announced a meeting of the Board of Managers, Wednesday morning, and outlined the plans decided upon to manage the Activity Pledge Campaign. He requested the support of the council, as the direct representatives of the students and declared a most auspicious year ahead of the activities if the requisite number of signers could be obtained. The council was unanimous in voicing its approval, and voted to undertake the work outlined, in conformity with the plans of the Board of Managers.

Mr. Morse announced a meeting of the Board of Managers, the Student Council, and the managers, captains, editors, and officers of the Student Activities for next Sunday morning, to

(Continued on page 2.)

PREDICT SUCCESSFUL SEASON FOR MAT MEN

Mays, Stokes, Corbin, and Bruce are Back, and Several New Experienced Men are Out.

With the mainstays of last year's team as a nucleus, and several new men added, the George Washington wrestling team has prospects of a very good season, according to Manager Corbin.

A meet with the Washington and Lee wrestlers has already been scheduled for February 19, and arrangements are being made for meets with the Navy, University of Virginia, and Gallaudet teams.

Mays, Stokes, Corbin, and Bruce are the veterans of last season. Johnson, of West Point, and Kenowski, who made his letter in wrestling at Penn State last year, should prove valuable additions to this year's team.

"Heavyweights," says Manager Corbin, "are especially needed, as well as some 115-pound men." Definite plans for the future will probably be announced in a few weeks.

Y. W. C. A. PLANS COUNTY FAIR FOR NOVEMBER 17

Continuous vaudeville is one of the many novel features to be given at the Y. W. C. A. County Fair, November 17, 1922. Unusual stunts! Stellar attractions! Our fellow students are to entertain us, and it is going to be good.

Lisner Chapel and the hall around will be decorated with cornstalks and country flowers, and the whole made to resemble farms and the countryside. The Y. W. C. A. girls will be in costume.

Fraternities have been invited to have booths, and many have already accepted.

Special booths will contain things for sale. The village post office is also to be found. Can you guess what this will be? It is only one of a dozen surprises in store for G. W. students at the Y. W. C. A. County Fair held next month.

1922 ENROLLMENT SHOWS 10% INCREASE

The enrollment in the University on October 9, 1922, shows an increase over the enrollment as of October 10, 1921, of three hundred and thirty-four students, according to the statement of the secretary of the University in a recent interview.

The enrollment of the various schools stands as follows:

School of Graduate Studies	182
Columbian College	1,738
College of Engineering	460
Teacher's College	301
Medical School	184
Law School	896
Pharmacy	23
	3,784

GLEE CLUB STARTS SEASON; MEN NEEDED

Many New Members Report at First Meeting Last Night, But More Are Needed.

PLAN EXTENSIVE TOUR

Elaborate Plans to be Made When Membership Reaches 50—Many New Members Report at First Meeting Last Night.

Glee Club activities began with a bang Thursday evening when the old and new members initiated what promises to be the most successful year in the history of the club. "But," said President Lord, "We need more men. An elaborate and inviting program and a fine tour, in the course of the coming year, is most certainly assured if we receive the whole-hearted support of every man in the University. We want our membership to total at least fifty this year, if not more."

President Lord further stated that with the proper interest and participation "George Washington has the opportunity of developing a Glee Club that will equal any in the United States."

Artistic posters were placed in every department of the University by members of the club, announcing last night's meeting the first of the year. The next meeting will be held Thursday, October 19. As soon as the officers of the club are satisfied that the membership is large enough to successfully "carry on" and to do the necessary work, the present elaborate plans will be definitely assured.

So you men who can sing—Come out and try.

FALL CONVOCATION INVITATIONS READY

Twenty-four Students to Receive Degrees; Speaker as Yet Unannounced.

Twenty-four members of the student body step forth to receive the rewards for their years of trials and tribulation, at the Fall Convocation, Thursday, October 26, at 11.15 a. m.

Those graduating may obtain invitations at the office of the University Secretary after Friday, the 13th. All students of the University are invited to attend, and will be admitted without tickets.

The services will be held in the auditorium of Concordia Church, 20th and G Streets N. W. The speaker is as yet unannounced. The Rev. C. W. Locher, the present pastor of Concordia Church, will officiate as chaplain. Orchestra music will be furnished under the direction of Herman Pokemann.

The degrees to be conferred are as follows: Ph. D., one; M. A., two; M. S., three; A. B., twelve; A. B. and Teacher's Diploma, six; making a total of twenty-four, the same number as were conferred at the Fall Convocation of last year.

QUIGLEYITES CLASH WITH JOHNS HOPKINS WARRIORS SATURDAY

Buckheister and Horany Recover From Injuries Received at Virginia.

TEAMS EVENLY MATCHED.

"Jerry" Murphy Will do Duty as Field General—Probable Line-up Given.

Coach Bill Quigley's grid men grab the W. B. A. flyer and travel to the Monumental City, where they meet the Johns Hopkins upholders Saturday afternoon, October 14.

According to advance dope the home boys have an even chance despite the fact that they will be greatly outweighed. The Baltimore boys are heavy and experienced and offer a stalwart defense. In their recent games, however, they have shown little on the offense, being beaten two weeks ago by Princeton 35-0, and being held to a scoreless tie last week by Mount Saint Mary's of Maryland. In recent scrimmages down at Potomac Park the Hatchettes machine have been showing up well. "Jerry" Murphy is being drilled to take the place of "Willie" Thomas, who is out of the game on account of a broken leg, received in the Virginia contest. Jerry is short and fast, and is a triple threat man, being able to run, pass, and put equally well.

Horany will probably be at his regular position at full back, with Manson and Griffin in half back.

(Continued on page 4.)

FRATS TO BACK STUDENT ACTIVITIES PLEDGE DRIVE

Cooperation and Aid of Fraternities Invaluable in Success of Campaign, Says Morse.

Sunday, October 8, the Interfraternity Association passed a resolution pledging one hundred per cent support of the Student Activity Pledge Campaign as outlined by Bryan Morse, director of Student Activities.

As the fraternities are considered to form the backbone of student endeavor at the University, this action has met with high commendation by those in charge of the drive.

Not only does this mean that the members of the fraternities will subscribe to the Pledge Campaign, but that they will also urge the students who are members of activities under them to sign.

Mr. Morse believes that "the cooperation and aid of the fraternities is invaluable in the success of any undertaking along the line of student activities," and that "the Interfraternity Association has, by its recent resolution, assured us of its help."

INTERFRAT BOWLING PLANNED

According to the announcement made by Knut Nilsson, president of the Interfraternity Association, a schedule for the interfraternity bowling contests will be made out in the near future.

Although no definite plans have been made as yet, it is understood that the tournament will be played off as soon as possible, as the fraternities desire to finish the matches before the start of the interfraternity basketball season.

CORRECTION

Scholastic averages for all fraternity men in Arts and Sciences Departments should have read 79.7 per cent instead of the 83.4, published in the last issue of the Hatchet. This is compared with the average of 86.4 per cent for all sorority girls.

UNIVERSITY UNITES FOR ACTIVITY PLEDGE DRIVE

Board Of Managers, Student Council, And Other Organizations Back Campaign.

WORK BEGINS NEXT MONDAY

Every Department To Be Thoroughly Combed By Individuals Seeking 2,000 Membership.

SIGNERS RECEIVE

1. A share in George Washington University, its work, spirit, and activity government.
2. Admission to every athletic event in which a George Washington team participates.
3. The University Hatchet, a weekly G. W. U. newspaper, 30 issues each school year.
4. The Cherry Tree, G. W. U. annual.
5. Medical and hospital benefits, including home or office treatment, hospital room, board, medicine, and attention of nurse; physical examination of candidates for athletic teams; and emergency treatment at games.
6. Admission to all other approved activities.

(A tax card does not guarantee more than three visits to signers' homes during a single illness, nor more than two weeks free care in the University Hospital during a school term.)

COLGATE INSTALLATION ATTENDED BY HODGKINS

Prominent Educators Speak at Exercise in Honor of President Cutten.

President Hodgkins returned Monday morning from Colgate University, New York, where he had been invited to attend the ceremonies incident to the installation of President Cutten, as the new head of that institution. Representatives were present from Harvard, Yale, Cornell, Syracuse, and from other large universities over the United States. The installation took place on Saturday, October 7.

In speaking of his trip President Hodgkins stated that the most enjoyable feature had been the speeches made at the formal installation ceremony by such noted educators as Livingston Farrand, president of Cornell, and the Hon. Frank Graves, president of New York State University.

Colgate University is a school for men, situated in the northern part of New York. At the present time it has an enrollment of seven hundred students.

Many students of George Washington will be interested in knowing that former Assistant Professor Kochenderfer is now assistant professor of economics and commerce at Colgate University.

CHEER LEADERS NEEDED

A cheer leader, with two or more assistants, will be appointed in the near future, and applications for this important office are now in order, according to Hillary Tolson, chairman of the Athletic Committee. Applications may be presented to the chairman of the Athletic Committee.

It is probable that a cheer leader pro tem will be appointed to conduct meetings for cheer practice before the first game, and that candidates for cheer leader will try out at this game, November 4.

In a drive to put the Student Activity Pledge campaign to the 2,000 mark, members of the Student Council, members of the Board of Managers, the various managers and captains of student organizations, as well as the fraternities and sororities, start Monday, October 15, in a concerted effort to thoroughly canvass the Board of Trustees, the various faculties, and the entire student body.

Following a meeting of the Board of Managers, newly in office, on Wednesday noon, Bernard Burdick, law '23, student member of the board, and Director of Student Activities Bryan Morse, outlined plans which met favorable response from the Board of Managers and the various student organizations.

On Sunday morning at 10 a. m., in the office of the Director of Student Activities, the various managers of

(Continued on page 4.)

STUDENT MANAGERS TO AID ACTIVITY CAMPAIGN

Board of Student Managers Meet Sunday to Discuss Plans for Drive.

Bryan Morse, chairman of the Board of Student Managers and director of Student Activities, has announced a meeting of the Board of Managers at 10 a. m. Sunday, October 15, to be held in his office for the purpose of discussing plans for the Student Activity Pledge campaign, to be inaugurated in the near future.

The Board of Student Managers is composed of the managers of the football, basketball, track, wrestling, and tennis teams, girls basketball, swimming, and tennis teams, the editors and managers of the Cherry Tree and Hatchet, and the manager of the rifle team.

In contrast to the policy of former years this year's campaign will be left entirely in the hands of the heads of the various organizations, who will hold each member of his particular organization responsible for a certain number of pledges. It is to be hoped that the new plan will meet with even greater success than that achieved in past drives.

A method of obtaining more perfect cooperation between the organizations in the hope of securing greater success in each activity will also be discussed at this meeting.

FRESHMEN GIRLS GUESTS OF SPHINX AT LUNCHEON

Sphinx Honorary Society gave a luncheon for freshmen girls on Saturday. Owing to the rain it was held in the University Club rooms instead of on the back campus as was planned. After a satisfying luncheon, Maxine Girts, president of the society, introduced Dean Rose, the toastmistress. Miss Simons, of Medical School, gave a talk on scholarship. Miss Mason, of Law School, spoke about school spirit. Miss Bennett, of Teachers' College, gave an interesting discussion on school activities, and Miss Dorsey set forth the ideals and principles to be followed by the freshmen.

October 13, 1922

Activity Campaign Started

The Student Activity Pledge Campaign has at last been started. It is rather late in the year, but if the students who are carrying on the drive put their shoulders to the wheel there is no doubt that enough subscriptions will be obtained to finance the student organizations.

The Board of Managers, the Student Council, the Board of Student Managers, and the Interfraternity Association are all cooperating to put the drive across successfully. This is the first time that all of these branches of student endeavor have united to accomplish this task.

At a meeting of the Interfraternity Association last Sunday the Association pledged one hundred per cent support of the Pledge Campaign. This Association is one of the most highly and efficiently organized bodies of the school and its aid is invaluable.

With all the benefits derived from the signing of the Tax every student in the school should recognize it as a valuable investment. In no other University of the United States does a student receive free admission to all athletic contests, the school annual, and a subscription to the news publication for ten dollars. Moreover the free medical attention and hospital benefits on the G. W. activity card are added attractions.

If enough money is received to more than finance the activities, the amount that is left over will be divided and an equal refund will be made to each signer.

The delay was in some ways unavoidable, but now that the drive has started it is up to every student to back the men and women who are representing him and the University he attends by signing the Student Activity Pledge Card.

Student Opinion Desired

In past years it has been the policy of the Hatchet to print letters or articles submitted by students not on the Hatchet staff, expressing their own opinions on various matters of interest to the student body. The present editorial staff desires to have this custom carried out to an even greater extent than has been done before.

Existing conditions at the University do not permit any general assemblies of the student body. There is no common meeting ground on which the students can gather to discuss with each other their opinions of student affairs. The Hatchet endeavors to fill this gap by gathering the news of the University and disseminating it through its columns to the students. But even with the greatest care all of the ideas and views of the men and women here can not be presented without their aid. The open-court system, as the publishing of these letters might be called. DOES, to some extent, aid in a fair presentation of the thoughts of the whole body of students.

Of course any article submitted, should be no more than two hundred words long and will be published under the signature of the person submitting them, and the Hatchet will not be responsible for their contents.

Freshmen vs. Sophomores

Along with the opening of school comes the crop of freshmen. Along with the new crop of freshmen come the plans of the sophs that are intended to humble the boys who are supposed to wear the caps of green.

If a frosh sees a group of wise-looking students he imagines they are sophomores laying dire plans that will not suit his comfort. He talks to those upper classmen that he happens to know and asks them what the sophs are planning for his benefit. His friends always tell him of the wild interclass scraps of years past. If he is meek, this information will make him walk around the campus like a hunted sheep, expecting every moment to be shanghaied or otherwise roughly handled. On the other hand, if he is the type that thinks he is not afraid of anything and likes to make everyone else think the same, he will pass off the comments of his informant in a braggadocio manner, but nevertheless he will have one eye open for trouble.

The Hatchet will not divulge any of the secrets of the sophomore class, but the interclass contests and activities do work for closer union of the student body. Class fights may seem a bit irksome while they are being carried on, but they instill into the student a feeling toward his school that it is well to have, an impulse that draws him closer, and urges him to take a part in the student affairs of the University, and thus the school is in the end benefited.

CHEER LEADERS WANTED

All people wishing to apply for positions as cheer leader, assistant cheer leader, track manager, or assistant track manager, send their applications to H. A. Tillson, 1733 N Street N. W., chairman of the Athletic Committee.

COUNCIL CONFIRMS EARLY APPOINTMENTS

Continued from page 1.)

define a policy for the year and make final adjustment of plans for the Pledge Campaign.

Stanley Wright, Law School representative, announced tentative plans for the Football Festival, to be held early in December. Mr. Wright has undertaken to secure an adequate ballroom to hold the students, and will make further announcement later.

Appointment was made of D. Milton Ladd as first assistant manager of football. The council deferred appointment of managing editor of The Hatchet upon request of the Publications Committee.

ENOSINIAN SOCIETY STARTS SEASON MONDAY

J. Fuller Spoorri, president of the Enosinian Society, announces that there will be an organization meeting of the society Monday evening next, October 16, in Lisner Hall.

Candidates for admission to the society must have attained an "A" average in at least 18 hours' work, and in addition submit and deliver before the society a paper on some literary effort.

Enosinian is the oldest organization in the University, having been founded in 1822.

HONOR SOCIETY WILL MEET

James C. Hatcher, president of the Pyramid Society, has called a meeting of that society to be held in the Alumni room of the Law School, on October 22, at 10 a. m., where plans for the coming year will be mapped out, and other items of outstanding interest will be taken up, such as the promotion of interest in the Student Activity Tax.

S. P. E. AWARDED TROPHY

Sigma Phi Epsilon was awarded a plaque for winning the Interfraternity Baseball Championship last spring, at a meeting of the Interfraternity Council last Sunday.

DEBATERS TO MEET

All students interested in debating or public speaking are invited to a meeting of the Columbian Debating Society, to be held this evening in the Law School.

Last year three of the Columbian Society's new members received positions on the University Debating team through their training in the organization, according to a prominent member.

TRAVELERS TO HOLD SMOKER

The Travelers' Fraternity will hold a smoker Friday night, October 13, at 1719 Eye Street N. W. All G. W. U. Masons are invited.

Football Practice Announced.

All men wishing to play football are to report to William Quigley, coach of the football team, any day at 3.30 p. m. at Tidal Basin Bathing Beach, Potomac Park.

Footprints

"Great men—leave behind—
Footprints on the sands of time."

ROBERT H. McNEIL

Robert H. McNeil, manager of football, graduated from Central High School in 1920. Was photographic manager of the "Brecky" and business manager of the "Review" in his senior year. Entered George Washington University in the Fall of 1920. Was sporting editor of The Hatchet in his freshman year, and last year managing editor. Is now business manager of the Cherry Tree and manager of football. Member of Phi Delta Epsilon Journalistic Fraternity.

EARLE W. MANSON

Earle W. Manson, member of the Student Council from Columbian College, graduated from Western High School in 1920. Was basketball player, captain of a cadet company, and tackle on Washington All-High School Team, 1920. Entered George Washington University that fall. Was president of the Freshman Class, chairman of the Committee on Arrangements for the annual May Carnival, and varsity football and track man. Member of Sigma Chi Fraternity.

STUDENT SLAVE SAYS:

Cheerie, Lads, the best is yet to come. Wait 'till swimmin' becomes as popular as golf now is.

Dear Steve: Why are co-eds? Inquisitive.

My Dear Inquisitive: We agree with you exactly.

Respectfully,

Stupe.

"This is school spirit," said the freshman, as he gulped down the alcohol from the test tube.

"My woid, but I do need a shave," murmured the Prof. as he absentmindedly surveyed himself with the hair brush instead of the hand mirror.

This space is dedicated to the co-eds and what they say when they catch their French heels in their new long skirts.

Speaking as a Vegetarian.

If a co-ed got soused, would you call her a stewed chicken?
If an upper classman got soused, would you call him a corned ham?

The principles of journalism could well be applied to the present-day skirts; they should be long enough to cover the subject, but short enough to be interesting.

The Development of a Cynic.

In high school the girls loved him because he was so big and strong and manly.

In college the senior girls loved him because he was so cute and young.

He had no trouble making the girls love him because he was so handsome.

He fell in love once a week and left a trail of broken hearts.

After college he fell in love with a little girl with a freckled face.

She turned him down. From then on he became a cynic.

After looking at the scholastic average of the frats, one wonders if S. P. E. was awarded the interfrat scholastic cup as a sort of booby prize.

Which Type of Research is of Greatest Value?

A stove burns too much coal. A man familiar with the principles of combustion and heat radiation makes experiments which indicate desirable changes in design. That is research.

You want to make a ruby in a factory, a real ruby, indistinguishable by any test from the natural stone. You begin by analyzing rubies chemically and physically. Then you make rubies just as nature did. Your rubies are the result of research—another type of research.

While melting up your chemicals and experimenting with high temperatures, you begin to wonder how hot the earth must have been millions of years ago, and what were the forces at play that made this planet what it is. Your investigation leads you far from rubies and causes you to formulate theories to explain how the earth, how the whole solar system was created. That would be research of a still different type.

Research of all three types is conducted in the laboratories of the General Electric Company. But it is the third type—pioneering into the unknown—that means most in the long run, even though undertaken with no practical benefit in view.

For example, the Research Laboratories of the General Electric Company are exploring matter with X-rays in order to discover not only how the atoms in different substances are arranged but how the atoms themselves are built up. The more you know about a substance, the more you can do with it. This work may enable scientists to answer more definitely the question: Why is iron magnetic? Then the electrical industry will take a greater step forward than can be made in a century of experimenting with existing electrical apparatus.

You can add wings and stories to an old house. But to build a new house, you must begin with the foundation.

WORLD REFORM OBJECT OF Y. W. C. A. WORK

Miss MacArthur Outlines Activities
of World Organization.

World reform is the object of the Young Women's Christian Association, according to Miss Gertrude MacArthur, general secretary of the local branch, who addressed the George Washington "Y" organization meeting in the chapel Tuesday night.

Miss MacArthur spoke of her early work in student conferences in Holland, Japan, and America. She gave interesting facts concerning the organization's work. There are 90,000 students connected with Y. W. C. A. in America. The work is of varied type, and maintains 40 summer conferences, in which students have an opportunity to get a broader outlook on life. The students are trying to get closer to their sisters in the industrial world, and are studying the great industrial questions. They are helping to break down class barriers that they may feel the unity of the world. Through its membership in the World's Student Christian Federation the association promotes a better understanding among the nations of the world. It is the part of the American "Y" to make the teachings of Jesus operative in the world.

Announcements were made following a solo by Miss Winifred De Voe. Miss June Cooper told of application blanks in her possession, and Miss Phoebe Knappen outlined plans for the "County Fair," to be held November 17. Night meetings will be held on the second Tuesday of each month at 8 o'clock.

Miss Anna Rose, Dean of Women, will be the speaker at the regular "Y. W. C. A." Chapel Monday, October 16, at 12.20.

ORGANIZED CHEERING BY GIRLS PLAN THIS YEAR

Organized cheering for girls! Is it possible? Martha McGrew, president of the girls G. W. Club, believes that it is.

No longer will the girls rend the air at the games with yells, but a volley of organized cheers will greet and disconcert the opponents of G. W.'s basketball team.

Girl gymnasts will no doubt be interested in trying out for cheer leader. Remember, it is the girl that can come nearest making a doughnut of herself that will win the coveted position.

SORORITY RULING REMAINS UNCHANGED

"Neither Dean Ferson, Dean Wilbur, nor I have had any conference during the absence of President Hodgkins relative to the recent ruling in sorority bidding," Miss Rose, Dean of Women, stated. "The present great rush of work has made it impossible for me to fully consider the appeal made by some of the sorority girls," she explained, but (for the hopeful) plenty of time remains before February 1 to do so.

GIRL SWIMMERS TO MAKE PLANS AT MEETING OCT. 8

Team to Compete in Baltimore Meet, And May Stage One Here.

Girl swimmers will hold their initial meeting October 20, at 8 p. m., to make plans for the coming seasons and to elect officers.

"Only girls that can swim at least 60 feet and that are willing to work need come out," said Beatrice Woodford, coach of swimmers.

"We want to send a team to Baltimore to compete in the South Atlantic Championship. Later we hope to have a meet here and invite champions from the South and Middle Atlantic Associations.

"Swimming is a new sport here, but we hope to make it one of the strongest. Every girl that places in a meet will be given a medal, and a count will be kept of the points, and we hope a letter will be given the members of the team."

RABBIT HOLE BECOMES EDUCATIONAL CENTER

Prominent Professors Discuss Melancholia and Fudge Sundaes Daily at Famous Eating Place.

With collegiate affairs again in full swing comes the announcement that the "Rabbit Hole" will from now on remain open between the hours of 11.30 and 6.30. This statement will undoubtedly meet with the approval of all concerned, including our renowned and dignified professors, who have again been heard discussing weighty and profound questions over the decorated teacups.

Affairs of the world in general are often settled by our most prominent students between spoonfuls of hot fudge sundaes or scalding cups of coffee. Promising athletes are seen quaffing their daily dose of vitamins in the form of pure milk. In finishing it may be said that the fair young coeds still furnish one of the greatest attractions of this most attractive palace of eats.

RESERVATIONS FOR USE OF CHAPEL REQUIRED

In order to have the use of the Chapel in Lisner Hall for any gathering, it is necessary to consult Dean Rose, who will make reservations in advance. This is absolutely necessary in order that more than one organization will not attempt to use the Chapel at the same time.

Thursday evenings are always reserved for the Glee Club, but any other evening, except the second Tuesday in each month, is open for reservation.

MORE MAIL

Mail is held in the office for the following students. The office requests that if it is necessary for students to have mail sent to them through the office, that they watch the bulletin board in the administration building every day in order to avoid unnecessary delay and congestion:

GREEK BASKETBALL MAY BE PLAYED THIS SEASON

Interfraternity Association Points Out Advantages of Having Tournament Before Varsity Practice Begins.

Interfraternity basketball may be staged this year in the months of November and December. The matter was discussed at the meeting of the Interfraternity Association last Sunday, but no final action taken.

The association pointed out two advantages in having the tournament at this time. First, new and old material will be brought to light and developed for the varsity, thus bringing the team to its highest point of perfection much earlier in the season than usual. Second, the hard feeling over having varsity players eliminated from the interfraternity contest would not be felt.

WILBUR ASKS STUDENTS TO SUPPORT CHAPEL

Prominent Speakers to be Heard Every Wednesday; Dean Promises Interesting Program Every Week.

"Napping in Chapel" has been consigned to obscurity if the present plans of Dean William Allen Wilbur materialize. "Doubting Thomases," and those who hail from Missouri will manifest their proverbial dispositions, but not for long. These, too, will be consigned to obscurity.

Yesterday afternoon Dean Wilbur unloosed his scheme for making chapel fill the place in this University that it does in others, and "beginning next Wednesday and each succeeding Wednesday," says he, "prominent speakers will be heard from the platform of the chapel."

Let the student body take advantage of this innovation and respond en masse; let it respond after the fashion of other student bodies in other universities; let it wake up to the realization of that which is to be gained from hearing men of letters and culture; and last, but not least, let it show its appreciation to the dean who has instituted the program.

Fifteen minutes every Wednesday is not saddling a burden upon one seeking a higher education.

CHI OMEGA GIVES TEA

Chi Omega Sorority gave a tea in honor of Delta Zeta Sorority, formerly Alpha Delta, at the home of Miss Genevieve Thomas, 3120 Mt. Pleasant Street, on September 24, 1922, from 4 to 6.

SPANISH CLUB TO MEET

El Circulo Espanol will hold its first meeting next Thursday, October 19, in the lecture hall, first floor, rear, of 2017 G Street, instead of in the chapel, as previously announced.

All interested in the Spanish language and custom are invited to be present.

ALUMNI ASSOCIATION QUARTERLY OUT SOON

Although definite plans for the Alumni Association paper have not yet been consummated, Secretary Kayser, under whose supervision the paper will be published, states that the first issue will probably be in circulation the latter part of October.

Issued quarterly, the publication will dwell upon Alumni activities and

depict undergraduate movements in all departments of the University, as well as campus topics. In view of the fact that the University authorities have held themselves in contact with the vast majority of Alumni, and have already enrolled in its active association a membership of one thousand, six hundred of which are life members, Mr. Kayser is of the opinion that a successful paper will be inaugurated without delay.

OFFERS PRIZES FOR BEST WORK DONE ON HATCHET

Full Details to be Announced Later—
Install Chapter at Johns Hopkins.

Pi Delta Epsilon, honorary journalistic fraternity, announces that it will give two prizes each year for the best work done on the University Hatchet. One prize will be awarded to the person who writes the best news story, the other one will be given to the person who writes the best feature, humorous, or editorial article. The judges who will award the prizes will be appointed by Pi Delta Epsilon. Further details for the contest will be given later.

According to C. Melville Walker, editor of the Hatchet last year, the reason the fraternity decided to award prizes was to encourage excellency in the work done on the school paper. It was thought that competitive means would accomplish this purpose best.

Saturday, October 14, members of the journalistic fraternity will journey to Baltimore, Md., to witness the football game between George Washington University and Johns Hopkins University. After the game members of the G. W. chapter will install the chapter at Johns Hopkins into Pi Delta Epsilon.

DEBATING SOCIETY TO ELECT OFFICERS OCT. 18

Friday evening, October 18, at 8 p. m., the Columbian Debating Society will hold an important meeting of the school year. The purpose of this meeting is the election of officers for the forthcoming year. It is urged that the entire membership, including prospective members, be present.

The Debating Society holds many opportunities for those members of the student body who are interested in public speaking or law. Debates are held by the members every weekend, usually on Friday, and there is seldom a meeting without the introduction of some fine speaker on the program.

The membership consists, for the most part, of law students, but it is not restricted in any way. Students of the other departments of the University are invited, and are given every opportunity to join.

All men intending to join are notified by Charles P. Swindler, president of the club, that the initiation fee of 25 cents must be paid if they desire to participate in the elections on Friday night.

PLEDGE CAMPAIGN LAUNCHED

Continued from page 1.)
all organizations participating in the Student Activity Fund, will meet to complete final details of the campaign. The Board of Managers is more than anxious to see 2,000 students pledged to support activities. To this end Mrs. Joshua Evans introduced the following resolution, which was adopted:

"In the event of 1,000 paid subscribers to the Student Activity Fund by April 1, 1923, a rebate will be given signers who have paid, depending upon the financial status of the Activity Fund, such rebate to be determined by the Board of Managers."

Signers of the Student Activity pledge not only help to support all activities of the University, football, basketball for men and women, tennis, track, The Hatchet, Cherry Tree, debate, the glee club, and the like, but are admitted to all recognized activity functions.

A perusal of the benefits received by paying in \$10.00 to the Student Activity Fund is recommended.

The four home games of the football team will be played in Washington, beginning November 4. The basketball teams, both men and women, will play something like twenty home games.

Few students are aware of the exceptional health protection and insurance offered by the Student Activities in the matter of illness and hospital benefits.

Members of the Student Council at their meeting Wednesday night voted to back up the Board of Managers, the Interfraternity Association, and the various other organizations to put across a 2,000 campaign.

If you are approached on the matter, give it your utmost consideration. George Washington in the next two or three years is going to be heard from as a national institution. You will help make this prophecy good if you help yourself and the University by subscribing to the pledge campaign.

If you are not approached by any member of one of the many organizations, make it your business to learn something about the student activities, the campaign, and the benefits.

THIRTY MEMBERS ATTEND W. U. C. INITIAL LUNCHEON

Isabelle Bunten Appointed Housekeeper; Weekly Luncheons to be Held This Year.

Thirty members of the Women's University Club attended a luncheon held by that organization in the W. U. C. rooms October 11. This is the first of a series of weekly luncheons that are to be given this year, and was served by the officers of the club. Future luncheons are to be served by members of sororities and then by groups of nonsorority girls.

Isabelle Bunten was appointed housekeeper and June Cooper assistant housekeeper. All W. U. C. girls are invited to attend the weekly luncheons, but those who will be unable to come every time are requested to sign their names to a list which will be posted on the bulletin board not later than the Tuesday night preceding each luncheon. Those who will be able to go to each luncheon are to give their names to Miss Bunten, and in case any of those on the housekeeper's permanent list are unable to attend any one of the luncheons they are to notify Miss Bunten not later than the night before.

Membership in the W. U. C. is open to all girls attending G. W. upon payment of \$1.00 yearly membership fee, which may be paid quarterly.

CHERRY TREE NEEDS SNAPPY SNAPSHOTS

Unusual Pictures of Profs and Celebrities Desired; "Have Pictures Taken Now," Advises Editor.

You don't have to be a Senior, a Frat Member, or a politician to get your picture in the Cherry Tree this year. The way is open to everybody who possesses somewhere within the feastness of his domicile one or more "Snap Shots." Just send or bring to the editor, or any of the staff some of the clever results of your shooting, and if the face and figure is clear and fairly large, its pretty sure to get in. You know the kind they want—the funny ones you took on your vacation camping trip, that one of you or she in bathing, or most anything that could go in the book. Snappy snap shots is the order.

As for the pictures—the portraits of the elect—Edmonston is going to do them; 1407 F Street is the place, and they'll do the look at the birdie stunt any time you can go there with two (\$2) dollars in your jeans. Seniors'll wear "mortarboards," frat men tux, sorority sisters evening dress or draped, as they wish, and the rest of us poor mortals will have to get in with just our ordinary duds.

FIFTY MEN CONTESTING FOR TENNIS POSITIONS

Many Experienced Men Back and New Men are Making Good Showing.

"The tennis outlook for the coming year is very encouraging," says Manager Viens. All entries for the fall tournament closed Tuesday, October 10, and over fifty contestants have signed up. The tournament is to be divided into two classes, day and night students. The day students will be matched against each other, as also will the night students, and the winners from each class will play for the championship. Schedules of the different matches will be posted soon, and it is hoped that the student body will give the players good support.

A great deal of last year's material is back again, and with the support of Rutley, Ladd, and probably Ballinger, a very successful season is predicted. It is expected that there will be quite a few surprises, including two new men who have just entered school this fall. One of them, Smith, from Arizona, brings with him a very good reputation, and Manager Viens after playing a match with him Sunday claims that Smith is even better than he is "cracked up to be." Dean Miller will coach this year's team.

"JOIN THE GLEE CLUB" GIRL SINGERS' SLOGAN

Mrs. Otis Swett in Charge.
"Girls, join the Glee Club," has been the slogan heard around the Woman's University Club rooms, and also seen on the posters in the halls. On October 6 tryouts were held in the chapel for membership in the club. Mrs. Otis D. Swett, wife of Prof. Swett, is in charge, and last week she tested the voices of the eleven present. On Friday, October 13, another change will be given to join. Membership is limited to twenty girls. Until tryouts have been made and the best material available selected, no definite arrangement in regard to rehearsals can be announced.

Last year several very successful concerts were given by the club, and it is hoped more can be accomplished this coming year. No decision for trips and concerts for the year 1922-23 will be made until a later date, as concerts are given upon request and by invitation from outside organizations. Girls, go to the next meeting and help make the club a success.

QUIGLEYITES CLASH WITH JOHNS HOPKINS SATURDAY

Continued from page 1.)
With Captain Ptak and Altrup on the ends the flanks will be well protected. The forwards will probably be the same as in the Virginia game—Corbin and Buckheister at tackles, Strother and Allen at guards, and Clements as the pivot man.

Probable Line-up.

G. W.	Johns Hopkins.
Ptak (Capt.)	left end . . . Middleton
Corbin	left tackle . . . Magill
Allen	left guard . . . Milanowsky
Clements	center . . . Cromwell
Strother	right guard . . . Walbert
Buckheister	right tackle. Landy (Capt)
Altrup	right end . . . Rich
Murphy	quarter back . . . Wilson
Manson	left half . . . Bonner
Griffin	right half . . . Turnbull
Horany	full back . . . Willis

PUNTS AND PASSES

Great efforts are going to be made by the squad to see that Captain Jimmy Ptak doesn't turn over for a few minutes more sleep Saturday morning. They are determined to have him go to Baltimore, as a leaderless team is at a disadvantage.

Quite the pink underwear! That's the proper expression to use for the playing of Kenouski, as he wears that kind of apparel. You ought to see 'em.

Buckheister is back doing duty at tackle even though his knee is still black and blue and a little larger than it generally is.

Griffin, a recent addition to the squad, is showing up in great style in the back field. In fact, he has shown up to such advantage that he will be started against Johns Hopkins.

Assistant Managers Wanted

Assistant managers for football are needed at once. Report to Manager McNeil at the Tidal Basin Bathing Beach any afternoon at 2 p. m. Applications should be made to Hillary Tolson, chairman of Athletic Committee, Student Council.

PHI MU HOST AT TEA FOR FRESHMAN GIRLS TO-DAY

Phi Mu Sorority has issued an invitation to all freshmen girls to attend a tea this afternoon at their club rooms, on the third floor of 2024 G Street. They will receive the new girls from 4 to 6 o'clock, and hope to see their rooms filled to overflowing with visitors. This year the sororities have been especially active in the endeavor to make the freshmen feel at home and in giving them hearty welcome.
